A MERRY CHRISTMAS, A HAPPY NEW YEAR AND DEATH TO THE "FLU" IS THE WISH OF THE KANSAS CITY SUN TO ITS THOUSANDS OF READERS

The famous choir of historic Quinn Chapel, Chicago, Ill., will render the beautiful cantata "The Incarnation" Sunday evening and among the noted singers is our own Madame Mattie Benton Dean who at the request of Bishop and Mrs. Parks has connected herself with that splendid organization. We congratulate Mother Quinn upon being able to secure the efficient services of Mrs. Dean.

Among those who contributed to the wonderful success of the Red Cross Campaign there are none more deserving of honorable mention and congratulations than our own Mrs. E. C. Bunch, wife of our popular dentist. She was the only Colored lady employed at General Headquarters and her advice and opinion was consequently sought in handling the districts largely populated by our people and the results demonstrate that she is a wise and successful leader.

AIM SHOULD BE PERFECTION

Man Who is Satisfied With Nothing but the Best is Man Who Will Make Good in Life.

Don't get into the "that's-good-enough" habit. Nothing short of "perfect" should be your motto.

Slovenly habits of mind and hand grow faster than good habits. A slipshod manner of thinking results in slipshod methods of work.

You will never become efficient in any one thing till you get it firmly fixed in your mind that if another can do it better than you you are not doing well.

Thoroughness and accuracy play a big part in the success or failure of the individual.

You may be artistic and temperamental and dreamy, but you will never realize your dreams till you get down to brass tacks and do what you do with precision and dispatch.

There is plenty of time to exercise your artistic moods after you have learned all there is to know of the mechanical and fundamental principles of the work or accomplishment you think you were out to do.

Remember that interpretation comes last.

There must be weeks, months and years of systematic and consistent drill before one is capable of exercising the faculty of interpretation.

Merchant Bar.

Merchant bar, or merchant iron, is the bar iron which has been finished by passing through the merchant rolls. Puddled bars are worked into merchant iron or merchant bar by being cut into pieces of suitable length, which are then piled in packets, heated into welding heat, and then hammered into bars of suitable shape to put on the market. The amount of labor bestowed on this process depends on the quality of the iron it is desired to produce. Puddled bars, which have been rolled a second time are called "No. 2" and this is usually designated as "merchant bar." It is the lowest quality of iron available for the smith's general use. If piled and rolled again the product is called "No. 3." Another repetition of the process furnishes an article known as "best-best," and still another gives "treble-best."

The inmates of the Jackson County Home for Aged and Infirm Negroes were the guests of an equal number of Negro women of Kansas City who were anxious to make the heart of some poor unfortunate glad. A Christmas tree was placed in the reception room and around this tree a very pleasant two hours was spent the afternoon of December 26.

Mrs. Bacote and most of the members of the choir of the Second Baptist Church rendered a number of musical numbers. Master Perry Jones recited most pleasantly. The Clippers brought a large supply of fruit and candy and Mr. James Carter, one of the inmates of the Home, who is sightless, rendered a number of violin selections.

After this portion of the program was concluded the old folks gathered around the tree and each was presented with a box containing some useful articles as well as some delicacies. The boxes given by Mrs. N. C. Crews and by Mrs. S. E. Johnson were very tastefully arranged and plentiful. The management of the Home wishes to thank the ladies who came in person to give their boxes, as well as those who could not be in attendance; the employees, who worked earnestly for the success of the affair, and lastly we thank Mrs. Howard M. Smith, who conceived this plan of making some unfortunate person happy at Christmas time. We sincerely trust these ladies will make this an annual affair, just as is done in all of the other institutions of the county.

MRS. CARRIE R. BOGGS DEAD.
Mrs. Carrie R. Boggs of 1027 Highland Avenue died December 17, 1918. She was born in Carroll, Ia., March 16, 1884. She was a graduate of Carroll High School and taught private school in her home town. Mrs. Boggs was the first colored girl born in Carroll and the first to graduate in the public schools of that city. She came to Kansas City in 1909 and was married to Mr. Edward Boggs December 17, 1913, departing this life 34 years and nine months afterwards, just five years after her marriage. She leaves three children, Geraldine 3 years and six months of age, Edna Theron, 1 year and six months and the baby boy only six days old at the time of her death. She was a devoted mother and a loyal wife. Mrs. Boggs was a member of the St. Stephen's Baptist Church where the funeral services were held Sunday December 22, the pastor Dr. J. W. Hulse officiating and many relatives and friends paid their last tribute of respect by their attendance. She was a member of Golden Leaf Court of which Mrs. Amanda Bond is worthy counselor for seven years. She had many friends and was loved by all who knew her. She never worried about different things. She trusted God all the way. She leaves three sisters, Mrs. Emma Lewis Des Moines, Ia., Mrs. Beulah Moore, 2832 Summit street and Miss Genevieve Robinson, four brothers, Luther Robinson, Paul Robinson, Joe Robinson and James Robinson.
